All guidelines for branch/tree, bulk trash and electronics materials remain in effect as posted on the DPW section of the City of Lackawanna web site at www.lackawannany.gov.

We ask your continued patience as we ramp up our DPW operation. There is a lot of work to catch up on and daily pickup times may extend a bit longer. Please know that our DPW teams are committed to completing all work as soon as possible.

As we know more about the possible easing of other NYS on Pause restrictions, additional updates will be provided. Until then, please continue to stay home, stay safe ... and God bless.
